

ELWOOD L. THOMAS INN OF COURT

A number of local attorneys, judges and law school professors have met to form a local Inn of Court. We have named the new Inn the "Elwood L. Thomas Inn of Court." The national Inn website is <http://www.innsofcourt.org/> for anyone who wants to read about the Inns' mission and purpose. The basic format is to form tutelage groups with the Masters of the Inn for law students and new attorneys (up to eight years experience) with the goal of promoting professionalism, ethics and the development of litigation skills.

The application form for the *Elwood L. Thomas Inn of Court* is attached. **Applications are due on or before April 6, 2011.**
